Plan Coverages

Third-party car insurance is a basic, mandatory vehicle insurance policy that covers you against third-party liabilities for one year. However, it is not beneficial in case your car gets damaged, as the repair cost here is not paid by the insurance provider.

Third Party

Third Party liability

Covers financial or legal losses due to damage to any third-party person (unlimited) or property (up to Rs. 7.5 Lac).

Addons Selected

Roadside assistance PLUS

This add-on provides 24x7 assistance for your car. Including situations like a flat battery, punctured tyres, loss of key, etc.

Paid Driver Cover

Financial assistance for your paid driver in case of disablement or death to the driver due to an accident, as per the Workmen Compensation Act.

Others

• Compulsory Personal Accident Cover (Rs.50 lakh coverage)

• Unnamed PA Cover (IMT 16)

Please refer to the addon detail page for more information.

What's not covered

Accident

Coverage for damages and losses to your vehicle resulting from accidents and collisions.

Theft

Coverage for losses (up to the total declared insurance value) in the event of theft of your vehicle.

Fire

Coverage for damages and losses to your vehicle resulting from accidental fires.

Calamities

Coverage for damages and losses resulting from calamities such as earthquakes, floods, and cyclones.

Rat Bite

Coverage for wiring damage caused by rat bites.

Non-Accidental Damages

Damages resulting from wear and tear, breakdowns, and mechanical failures.

Tyres & Tubes

Regular wear and tear of these items is not covered by the policy. However, if the items are damaged in an accident along with the vehicle damage, they will be covered with a 50% depreciation cut.

Undeclared Non-OEM parts

If you are installing non-OEM parts such as halogen bulbs, stereos, or bifuel kits, please inform us in advance so that we can add them to your coverage.

**QUICK
TIP**

As per the Indian Motor Tariff Act, it is mandatory for the car owners to at least get their car insured under a third party insurance plan.

What are the reasons my claim might get rejected?

Commercial usage of the car

If the car is registered as a private vehicle and is used for commercial purposes, then the losses or liabilities due to accidents during such usage are not covered under this policy.

Illegal Driving

Damage resulting from a person driving the car without a valid driving license or under the influence of liquor/drugs is not covered under this policy.

Also keep in mind

- **File a First Information Report (FIR):** You should file an FIR at the local police station and inform ACKO about the incident immediately. If you do not follow these actions, your third party insurance claim may be rejected.
- **Record evidence:** Ensure there is enough evidence about the accident or incident to prove the other party's mistake.
- **Understand the maximum liability:** While there is no capped limit for compensation towards injuries or death, the maximum amount set for damages to third party property is limited up to Rs. 7.5 lakhs.
